

Exciting Haiti Mission Trip Opportunity February 18th - 25th, 2012

Seeking Volunteers for Mission Trip to Haiti

We are planning a special mission trip opportunity in February 2012 dedicated to 7 days of service in Haiti. We will be focusing on work projects that support the ministry and which take God's word and love into the field. Participation in this trip is limited to 12 people.

Sometimes the Good News of God's Kingdom comes through a pair of loving hands, saying "God loves you" with a box of food, medicine, shoes and clothes, or with toys for a hurting child.

Planned projects include:

- Working with orphans and poor children in the Santo area - delivering food and spending time in praise and thanksgiving with them. We will also spend time bringing love and blessings to the first ten orphans in our program.
- Orientation to the new children's home site and the work that God has laid out for us there.
- Travel into the mountains to a mission site at Fond Verrette to deliver food and other desperately needed supplies. This will be an overnight mission in the field.
- Ministering word and healing to the congregation of Pastor Luc St. Felix's church in Delmas.
- A day with the children at Way of Jesus and Green River Orphanage in Carrefour, one of our partners in Haiti.

Work on our new mission house to help prepare it for future ministry teams, our home base, and meeting with various partners and supporters.

Have you ever wondered how you can personally make a difference in the lives of people suffering from hunger, sickness, and poverty? We understand God's call in people's lives to serve the people of Haiti, especially the children. Part of our ministry is to provide opportunities for His people to respond to that call of service and love.
